STELLA 600 BURNER MANUAL

MANUAL OUTDOOR GAS BURNER

Gas Technology

LPG GAS TECHNOLOGY

An LPG gas fireplace for outdoor patios offers instant warmth and ambiance with easy ignition, eliminating the need for wood and eliminating smoke and ash. It's an environmentally friendly, aesthetically pleasing addition that enhances the comfort and style of any outdoor living space.

STAR-SHAPED BURNER FOR CUSTOM DESIGNS

Stella, with the star-shaped burner, allows the flames to spread evenly across the burner, creating an enchanting visual effect. Simply insert the burner in a custom surrounding that you like and enjoy the most elegant fire decoration.

EASY CONTROL

An LPG fireplace offers effortless operation; ignite with a button push and adjust the flame height with a knob turn, providing a hassle-free and customizable fire experience.

CONTROL THE FIRE

With the integrated control knob, Stella stands out for its precise control over the flame height and temperature, allowing you to create the perfect warmth and ambiance in your outdoor space.

BUILT TO LAST!

Stella burner is made with the finest quality components, ensuring durability and performance in any outdoor setting. It's waterproof, robust, and built to withstand severe weather conditions.
